MEMORANDUM

April 12, 2017

TO: Fiscal Officers
All State Agencies, Departments, Offices, Boards, Commissions and Higher Education Facilities

FROM: Bridget Brubeck, Deputy Director
State Accounting and Reporting
Office of Budget and Management

SUBJECT: Fiscal Year-End Updates

This memorandum is to provide agency fiscal officers with the year-end processing deadlines and other fiscal information pertinent to fiscal year ending June 30, 2017. In addition to providing the year-end processing deadlines in this memorandum, we will also post the information on our web page at www.obm.ohio.gov and on the FIN Home page of the MyOhio.gov portal. The keys to a successful fiscal year-end are planning, coordination, and communication; therefore, it is imperative that agency fiscal officers communicate this information with all pertinent parties, plan the appropriate agency actions and their timing, and coordinate with OBM as needed to "clean up" transactions prior to year-end close. OBM will communicate with your agency as needed, so if you have not already provided an individual in your fiscal office to State Accounting then please forward the name, telephone number, and e-mail address to Lisa Scharlott at lisa.scharlott@obm.ohio.gov.

The OAKS Travel and Expense module and Ohio Shared Services (OSS) year-end processing deadlines have also been included for participating agencies beginning on page seven (7).

Requisition and PO Processing
The last day to enter a requisition or change orders into OAKS is Wednesday, June 21, 2017. For a requisition to source to a PO, the requisition must be approved, including approval by OBM for personal services, by Thursday, June 22, 2017. Any requisitions that do not meet these requirements will NOT become a PO and will need to be re-entered as a FY18 requisition.

Change orders that have not been approved, sourced, and budget checked by the end of the business day, will result in the corresponding requisition/PO not having a valid status and will need to be re-entered as a 2018 requisition. DAS FIN strongly recommends that requisitions and change orders be entered well in advance of June 21st to allow adequate time for internal and central approvals, sourcing, and budget check. This extra time allows for the approval process, as well as the correction of any possible sourcing and/or budget errors. POs created in this fiscal year that do not pass a valid budget check will be canceled/closed.
Voucher Processing
The last day for agencies to enter accounts payable vouchers, including attaching documentation in OAKS is June 22, 2017. The last day to approve vouchers is June 23, 2017; however, agencies should be aware that vouchers approved near the deadline may not have the opportunity to be corrected should they be denied by State Accounting for any reason. Please refer to the attached calendar for a complete list of significant processing deadlines. If you have special processing needs, please contact Lisa Scharlott at (614) 728-4845, or by e-mail at lisa.scharlott@obm.ohio.gov

Deposits/Payments
Deposits/Payments will be processed until noon on June 30, 2017. Every effort should be made to deposit revenue prior to June 30, 2017. The agency should review all transactions to ensure they have been processed and approved. All deposits that are incomplete should be corrected as soon as possible. At the close of business on June 30th, all unposted deposits/payments and pending items will be deleted. The queries OH_AR_FYE_INCOMPLETE_DEPOSITS and OH_AR_FYE_DEPOSIT_NOT_REV can be run to monitor deposits and payments in the Accounts Receivable module in OAKS. The path in OAKS FIN to get to query viewer is: Reporting Tools>Query>Query Viewer. If you have any questions, please contact linda.lewis@obm.ohio.gov

Accounts Receivable Pending Items
Pending Items will be processed until June 30, 2017. Every effort should be made to process pending items prior to June 30, 2017 to ensure they have been posted. All pending items in error should be corrected as soon as possible. At the close of business on June 30th, all unposted deposits/payments and pending items will be deleted. The query OH_AR_FYE_PEND_ITEM_NOT_POSTED can be run to monitor pending items that have not been posted in the Accounts Receivable module in OAKS. The path in OAKS FIN to get to query viewer is: Reporting Tools>Query>Query Viewer. If you have any questions, please contact linda.lewis@obm.ohio.gov

OSS Participating Agency Voucher Processing
In order to comply with State Accounting’s voucher processing timeline, the last day OSS will accept invoices for 2017 processing is June 19, 2017. The last day for fiscal officers to approve OSS-entered vouchers is June 23, 2017. Please refer to the attached calendar for a complete list of significant OSS processing deadlines.

Travel and Expense
Travel and Expense deadlines are included in the Deadlines for All Agencies section of this memo, in Section II of the Ohio Shared Services Updates, and in the June calendar.

Controlling Board
The Controlling Board is scheduled to meet for the last time in FY 2017 on June 12, 2017. If your agency requires Controlling Board approval to complete a fiscal transaction prior to June 30, 2017, please be sure to coordinate with State Accounting to ensure that there is sufficient time to encumber and process payments this fiscal year. If you have any questions, please contact Melvin Striblin at (614) 644-8210, or by e-mail at melvin.striblin@obm.ohio.gov

Processing Payroll
The last payday chargeable in FY 2017 will be June 23, 2017. Agencies must have cash available on Wednesday June 21, 2017 to ensure payroll is processed properly.
Corrections

- Review revenue documents, inquiries, and reports to verify that the correct funds and revenue account codes were credited. No modifications will be accepted after 10 am on June 30th. No FY 2017 account coding errors may be corrected after the June 30th close. Every effort should be made to submit revenue mods before June 30, 2017.

If you have any questions, please contact Melvin Striblin at (614) 644-8210, or by e-mail at melvin.striblin@obm.ohio.gov

OAKS Availability
Based on user security, OAKS will be available from 8:00 am to 5:00 pm to agencies for entering fiscal transactions on the weekends of June 3rd and 4th; June 10th and 11th, and June 17th and 18th. OAKS will not be available to agencies on the afternoon of Friday, June 30, 2017, once all revenue documents have been accepted. This will allow State Accounting adequate time to process current year transactions and make OAKS available as early as possible after year end-processing and close.

Emergencies
If unusual or emergency situations occur on or after the deadlines, contact Lisa Scharlott at lisa.scharlott@obm.ohio.gov

- Beginning June 1st, monitor open vouchers daily. Agencies are responsible for review and clean-up of unpaid/unprocessed vouchers – all vouchers must be paid or removed from OAKS FIN by fiscal year-end. - Invoices received after June 19th will be held on the Sorter Page for processing after OAKS becomes available.
