MEMORANDUM

April 04, 2018

TO: Fiscal Officers
All State Agencies, Departments, Offices, Boards, Commissions and Higher Education Facilities

FROM: Melvin Striblin, Interim Deputy Director
State Accounting and Reporting
Office of Budget and Management

SUBJECT: Fiscal Year-End Updates

This memorandum is to provide agency fiscal officers with the year-end processing deadlines and other fiscal information pertinent to fiscal year ending June 30, 2018. In addition to providing the year-end processing deadlines in this memorandum, we will also post the information on our web page at [www.obm.ohio.gov](http://www.obm.ohio.gov) and on the FIN Home page of the MyOhio.gov portal. The keys to a successful fiscal year-end are planning, coordination, and communication; therefore, it is imperative that agency fiscal officers communicate this information with all pertinent parties, plan the appropriate agency actions and their timing, and coordinate with OBM as needed to “clean up” transactions prior to year-end close. OBM will communicate with your agency as needed, so if you have not already provided an individual in your fiscal office to State Accounting then please forward the name, telephone number, and e-mail address to Christopher Sargent at christopher.sargent@obm.ohio.gov

The OAKS Travel and Expense module and Ohio Shared Services (OSS) year-end processing deadlines have also been included for participating agencies beginning on page eight (8).

Requisition and PO Processing
The last day to enter a requisition or change orders into OAKS is Monday, June 25, 2018. For a requisition to source to a PO, the requisition must be approved, including approval by OBM for personal services, by Monday, June 25, 2018. Any requisitions that do not meet these requirements will NOT become a PO and will need to be re-entered as a FY19 requisition.

Change orders that have not been approved, sourced, and budget checked by the end of the business day, will result in the corresponding requisition/PO not having a valid status and will need to be re-entered as a 2019 requisition. DAS FIN strongly recommends that requisitions and change orders be entered well in advance of June 25th to allow adequate time for internal and central approvals, sourcing, and budget check. This extra time allows for the approval process, as well as the correction of any possible sourcing and/or budget errors. POs created in this fiscal year that do not pass a valid budget check will be canceled/closed.
Voucher Processing
The last day for agencies to enter and approve accounts payable vouchers, including attaching documentation in OAKS is Friday, June 22, 2017. However, agencies should be aware that vouchers approved near the deadline may not have the opportunity to be corrected should they be denied by State Accounting for any reason. Please refer to the attached calendar for a complete list of significant processing deadlines. If you have special processing needs, please contact Christopher Sargent at (614) 338-4724, or by e-mail at christopher.sargent@obm.ohio.gov.

Deposits/Payments
Deposits/Payments will be processed until noon on Friday, June 29, 2018. Every effort should be made to deposit revenue prior to June 29, 2018. The agency should review all transactions to ensure they have been processed and approved. All deposits that are incomplete should be corrected as soon as possible. At the close of business on June 29th, all unposted deposits/payments and pending items will be deleted. The queries OH_AR_FYE_INCOMPLETE_DEPOSITS and OH_AR_FYE_DEPOSIT_NOT_REV can be run to monitor deposits and payments in the Accounts Receivable module in OAKS. The path in OAKS FIN to get to query viewer is: Reporting Tools>Query>Query Viewer. If you have any questions, please contact linda.lewis@obm.ohio.gov.

Accounts Receivable Pending Items
Pending Items will be processed until Thursday, June 28, 2018. Every effort should be made to process pending items prior to June 28, 2018 to ensure they have been posted. All pending items in error should be corrected as soon as possible. At the close of business on June 28th, all unposted deposits/payments and pending items will be deleted. The query OH_AR_FYE_PEND_ITEM_NOT_POSTED can be run to monitor pending items that have not been posted in the Accounts Receivable module in OAKS. The path in OAKS FIN to get to query viewer is: Reporting Tools>Query>Query Viewer. OBM will be journal generating AR transactions when AR Budget Check run vs. nightly (8am; 11am; 3pm) beginning on June 25, 2018. If you have any questions, please contact linda.lewis@obm.ohio.gov.

OSS Participating Agency Voucher Processing
In order to comply with State Accounting's voucher processing timeline, the last day OSS will accept invoices for 2018 processing is Monday, June 18, 2018. The last day for fiscal officers to approve OSS-entered vouchers is June 22, 2018. Please refer to the attached calendar for a complete list of significant OSS processing deadlines.

Travel and Expense
The last day to submit Travel Authorizations, Travel Expense Reports, and related approvals is Wednesday, June 13, 2018. Travel and Expense deadline details are included in the Deadlines for All Agencies section of this memo, in Section II of the Ohio Shared Services Updates, and in the June calendar.

Controlling Board
The Controlling Board is scheduled to meet for the last time in FY 2018 on Monday, June 11, 2018. If your agency requires Controlling Board approval to complete a fiscal transaction prior to June 30, 2018, please be sure to coordinate with State Accounting to ensure that there is sufficient time to encumber and process payments this fiscal year. If you have any questions, please contact Melvin Striblin at (614) 644-8210, or by e-mail at melvin.striblin@obm.ohio.gov.
Processing Payroll
The last payday chargeable in FY 2018 will be June 22, 2018. Agencies must have cash available on Wednesday June 20, 2018 to ensure payroll is processed properly.

Corrections

- Review revenue documents, inquiries, and reports to verify that the correct funds and revenue account codes were credited. No modifications will be accepted after 10 am on June 29th. No FY 2018 account coding errors may be corrected after the June 29th close. Every effort should be made to submit revenue mods before June 29, 2018.

If you have any questions, please contact Melvin Strublin at (614) 644-8210, or by e-mail at melvin.striblin@obm.ohio.gov

OAKS Availability
Based on user security, OAKS will be available from 8:00 am to 5:00 pm to agencies for entering fiscal transactions on the weekends of June 2nd and 3rd; June 9th and 10th, and June 16th and 17th. OAKS will not be available to agencies on the afternoon of Friday, June 29, 2017, once all revenue documents have been accepted. This will allow State Accounting adequate time to process current year transactions and make OAKS available as early as possible after year end-processing and close.

Emergencies
If unusual or emergency situations occur on or after the deadlines, contact Christopher Sargent at (614) 338-4724, or by e-mail christopher.sargent@obm.ohio.gov

Ohio Shared Services Fiscal Year-end Updates

If your agency does not submit Accounts Payable voucher processing to OSS, or does not use the OAKS Travel and Expense Module, please disregard this section of the communication.

- **Section I:** OSS Participating Agencies that submit Accounts Payable (AP) voucher processing to OSS
- **Section II:** All agencies that currently use the OAKS Travel and Expense module
- **Section III:** Supplier Operations

**Section I: OSS Participating Agencies – Accounts Payable**

The following information is being provided to OSS agency partners to help facilitate the FY17 year-end close:

**Invoice Submission**

- Invoices submitted to Ohio Shared Services (invoices@ohio.gov) by 5 pm Monday, June 18, 2018 will be processed prior to the system restrictions implemented at the close of business on Friday, June 22, 2018.
- Invoices received after June 18th will be held on the Sorter Page for processing after OAKS becomes available.
- All invoice exceptions must be resolved no later than Friday, June 22, 2018 to ensure supplier payment is made during FY 2017.

Ohio Shared Services Fiscal Year-end Updates

Section II: All Agencies - OSS Travel and Expense

The OAKS Travel and Expense module will not be available to travelers beginning at 5pm on Wednesday, June 13, 2018. Agencies are reminded to:

- Ensure that all Travel Authorizations and Expense Reports have been submitted and approved prior to this time.
- Ensure all travel documents have correct coding and have passed budget check.
- Travel Authorization and Expense Reports NOT approved by supervisors by Wednesday, June 13, 2018 will be deleted from OAKS and will need to be recreated when OAKS becomes available for FY 2019 processing.
- Travel authorizations entered, approved by the supervisor, and passing budget check prior to June 13, 2018 will be available for use by the traveler after July 1st.
- For travel occurring between June 14 - 30, 2018, travelers should create a Travel Authorizations to encumber the funds before they travel, so they can create an Expense report in FY 19. The reason for this is if the coding changes in FY 19 for the user and they have no Travel Authorization to encumber the funds they will have an issue getting this paid with FY 19 funds they need to submit the Travel Authorizations prior to the travel if it happens during that timeframe.

All agencies are expected to take action on any outstanding Travel Authorization and Expense Reports in OAKS. Any Travel Authorizations or Expense reports that remain in a pending status will be deleted and need to be reentered when OAKS is available again. Your assistance will help to release encumbered funds and allow timely reimbursements to travelers.

Section III: Supplier Operations

- Supplier Operations will continue to process requests until June 20, 2018, but can only guarantee entry of requests received by June 13th.
